JEW DAVID'S HEBREW PLASTER.

THE great remedy for rheumatism, gout, pain in the side hip, back, limbs, and joints; scrofula, king's evil, white swellings, hard tumors, stiff joints, and all fixed pains whatever. Where this plaster is applied, pain cannot exist.

These plasters possess the advantages of being put up in integral to boxes: hence they retain their full virtues in all limits.

This celebrated Pain Extracter has been so extensively used by physicians and the people in general, both in this country and Europe, that it is almost needless to say any thing about it. Yet there may be some who stand in need of its healing powers who have not yet tried it. For their sakes we will simply state what it has done in thousands of cases, and what it will do for them when tried.

A VOICE FROM GEORGIA.—Read the following testimonials A voice FROM GEORGIA.—Read the ionowing testinomals from a physician:

Gentlemen: Your Hebrew Plaster has cured me of pains, of which I have suffered for twelve years past. During this period, I have labored under an affliction in my loins and side, and tried many remedies that my own madical experience suggested, but without obtaining relief. At length I used your Plaster, and am now, by its good offects, entirely cured. I will recommend the Jew David or Hebrew Plaster to all who are suffering from contraction of the muscles, or permanent pains in the side or back.

The people of Georgia have but to become acquainted with

its virtues when they will resort to its use.

Yours truly M. W. WALKER, M. D., Yours truly, Forsythe, Monroe county, Ga.
To Messrs. Scovil & Mead, New Orleans, La.

JEW DAVIDS OR HEBREW PLASTER IN NORTH Mesers, Scool & Mead: I have been troubled with the curonic rheumatism for the last twelve years. On the 1st of July, 1842, I was so bad that I could not turn myself in bed, and the pain so severe that I had not slept a wink for six days. At this time my attending physician prescribed the "Hebrew Plaster," and it acted like a charm;—the pain left me, and I slept more than half the night, and in three days I was able to ride out. I consider the Hebrew Plaster the best remedy, for all sorts of pains now in use.

The lands in the foregoing townships lie from 16 to 24 miles west of Helena, a considerable town on the Mississippi river, the county seat of Phillips county, in the vicinity, and partly above and partly below the road from Helena to Little Rock, near Big Creek, a branch of White river, which is navigable about live months in the year—from 7 to 20 miles

from the nearest landing on St. Francis river, a stream always navigable for steamboats. There are settlements adjoining or near all these tracts, and that region of country upon the peniusula formed by the Mississeppi and White rivers, and intersected by the St. Francis and Big Creek, is destined to be one of the richest in America.

Township 8 south, range 4 east. South half of section 12, containing three hundred and twenty acres of first-rate Mississippi bottom land, about five miles south-west of Helena, within two miles of the river, two-thirds of which are above the highest floods, Except the last-named tract, all of the foregoing are up-

Except the last-named tract, all of the foregoing are uplands, most of them well adapted to the growth of cotton, and some of them equal to any uplands in the cotton-growing States. They are all adapted to the growth of wheat, corn, potatoes, peaches, and all other products of the United States, except oranges and sugar. Cattle are raised in that region almost without labor, as they feed on the cane, which continues green during the winter.

Proximity to the New Orleans market, and a navigation never obstructed, give to this region great advantages over the States on the Ohio annd Upper Mississippi, which are much of the time cut off from the New Orleans market by low water and ice. Nor is there any portion of the United States water and ice. Nor is there any portion of the United States

These Lands will be sold to the highest bidder, one half of the purchase money to be paid in hand, and the balance in one and two years, with interest. A good title with wurranty will be given by the undersigned (Amos Kendall) at the time of the sale, the subsequent payments beings secured by morteness.

Proposals for privare purchase will be received by John S. Horner, Esq. of Helena, or Amos Kendall, of Washington AMOS KENDALL city, until the day of sale.

If the undersigned are now in receipts of the charts of HARDWARE and CUTLERY for the Fall Trade, and in ealling the attention of the merchants of Tennessee, Kentucky, and North Alabama, to their stock now in store, they feel confident that it will be found to compare favorably, both as to quantity and assortment, with that of any other House in the country.

Experience has already demonstrated to the satisfaction of a large majority of dealers in this section of the country, that in the article of Hardware at least, the Nashville market is preferable to those of New York and Philadelphia; for the simple reason that this description of goods will not bear the heavy expenses of transportation which must necessarily accrue when brought through by canals and railroads. The undersigned are also enabled to place their customers on an equal footing with those purchasing in any other market, from the fact that their European goods being all imported direct from the manufacturers by way of New Orleans without touching New York, thus enabling them to offor their goods at a small advance on importation cost.

Merchants, Blacksmiths, Carpenters, &c., visiting Nashville are invited to call and examine their stock before purchasing.

MISCELLANEOUS.

The Remedy over all Remedies for the Dissesses of the Liser Dyspensis, Enlargement and Inflamation of the Splean Hearthurns, Colic Flatalence, Piles, Constirpation, all diseases of the Bowels, and such diseases as arise from a disorder state of the Stomach, Liven or Bowels, as Scrofula and Soree of any kind. For General Debility, from which Ladies frequently suffer, there is not its equal in the whole Materia Medica.

THE inventor of this preparation was for three years s completely prostrated from Dyspepsia and inactivity of the Liver that he was frequently for weeks at a time unable to raise himself from his bed. He sought said from physicians at home and in Europe, but in vain; his case was pronounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing medicine, his success in r ch cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown by the certificates which have been advertised.

I subjoin the certificate of Prof. M. Garnert, of Memphis, Tenn., with whom I often advised during the time of my Мамрию, Tenn., April 17, 1552. MEMPINS, Tenn., April 17, 1502.

I hereby certify that I have been acquainted with Dr. J.

N. Bledsoe and some years ago he was reduced I cel eve lower than I have ever seen any one that afterwards recovered, with what I supposed to be Dyspepsia and Liver affection, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeeded with a preparation of his own in being restored to good health.

M. GABBERT, M. D.

Physicians are requested to try this preparation. We feel satisfied it will sustain the character we give to it in this

Dr. Blenson:—I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My son, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I believe, entirely cured him.

MICAJAH CAYCE.

Henrsville, Oct. 17, 4852.

Dr. Bledsoe:—Some time has clapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saying to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say, that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

N. B. ROBERTSON. HUNTSVILLE, Oct. 17, 4852.

HUNTSVILLE, Sept. 29, 1851. DR. BLEDSOE—Having seen the publication of your Alterative Compound, I think it my duty te say to the public, that I had been for years subject to spells of Cramp Colic, in as worst form; that I had tried almost even thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which mas relieved me in every attack in less than an hour.

WM. B. LLOYD.

GILES COUNTY, Tenn., Dec. 23, 1851.

Dr. Bledsor: I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely re-lieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.

ELIZABETH J. HARWOOD.

HUNTSVILLE, Ala., August 24, 1851.

This is to certify, that I had suffered for many years with Dyspepsia and Diseases of the Liver. Physician after Physician had prescribed for me without my receiving any bensician had prescribed for me without my receiving any bensician had prescribed for me without my receiving any bensician had prescribed for me without my receiving any bensities. efit, when I commenced the use of Dr. Bledsoe's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my acquaint JOSEPH CAROTHERS. Dr. Bledson:—Sin: Judging from the certificates you have already advertised, it will be almost unnecessary for me

to add further evidence in regard to the healing virtues of your Compound; but I must say, that for years I suffered a great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. I commenced taking your compound about nine weeks since, and have gained 25 or 20 pounds, and feel about as well as I ever did.
